

# Industrial Manipulators

Dalmecc offers a range of tooling heads for the “weightless” handling of electrical household appliances.

Simple to use, they allow the operator to move the electrical household appliances quickly, accurately and safely throughout the working area.

These manipulators have been custom-built, with specially adapted design, dimensions and picking systems to suit the specific requirements of the users and the various environmental conditions available.

# ELECTRICAL APPLIANCES

Partner PMC column mounted Manipulator equipped with suction cups tooling for handling air conditioners. 1321

Partner PMC column mounted Manipulator with forks type tooling for handling parts of drink machines. 1254

Suction cups tooling for handling air conditioners. 1107

Forks tooling for gripping groups of refrigerators (compressor - panel heat exchanger). 0224438

Hook tooling for handling coverings of washing machines. 0224218

PFC type Posifil Manipulator, column mounted version, equipped with suction tooling for handling refrigerator compressors. 0122538

Partner PMS overhead trolley mounted, fitted with suction cups tooling for handling refrigerators coverings. 1255

0019158

Partner PMC column mounted Manipulator, with pneumatic tooling for gripping, rotation and releasing of washing machine baskets into the frames.

9917235

Pneumatic tooling for handling and releasing of washing machines baskets from the top surface, into the frames.

0325076

Pneumatic tooling for gripping and 90° pneumatic inclination of washing machines.

9917306

Suction cups tooling for gripping exchanger panels for cold stores.

0326087

Jaws tooling for gripping and 90° pneumatic rotation of cooling coils for air-conditioners.

9918495

Jaws tooling for gripping and handling compressors for refrigerators.

9918859

Manipulator with forks type tooling for handling air conditioners on a pallet.

9816724

Manipulator with pneumatic tooling for gripping and inclination of internal frames for dishwashers.

9816539

Manipulator with suction cups tooling for gripping and handling cooktops.

9715735

Manipulator with jaws tooling for gripping and handling microwave ovens.

9917342

Manipulator with jaws tooling for gripping and handling coffee machines.

0325981

Suction cups tooling for handling and 90° pneumatic rotation of refrigerators.

0020627

Suction cups tooling for gripping and 90° pneumatic inclination of convectors.

0223103

Suction cups tooling for gripping and handling electric ovens.

0122599

Suction cups tooling for gripping and handling microwave ovens.

0427978

Manipulator with suction cups tooling for gripping and handling drink machines.

0426924

Manipulator with suction cups tooling for gripping and handling washing machines.
